

Please join us for the 18th annual

Walk to the Hill for Civil Legal Aid

January 26, 2017

State House, Great Hall

11 am to 1 pm

Sponsored by:

Each year, hundreds of attorneys and civil legal aid advocates converge on the Massachusetts State House to demonstrate their support for state funding of civil legal aid. Walk to the Hill, one of the largest lobby days at the State House, brings legal aid and the private bar together for the cause of equal access to justice for all.

State funding is absolutely critical to legal aid programs around the state that provide free legal advice and representation to low-income individuals and families that are facing critical, non-criminal legal problems. At Walk to the Hill, after a short speaking program, attendees visit the offices of their representatives and senators and voice their support for civil legal aid. We hope you can join us and speak up for civil legal aid!

Walk to the Hill is sponsored the Equal Justice Coalition, the Boston Bar Association, the Massachusetts Bar Association, and numerous county and specialty bar associations from across the state.
