

LAW DAY 2020

Strength in Community

GOING VIRTUAL | JULY 30, 2020

Virtual Law Day will bring dynamic speakers and engaging discussion in a new accessible, virtual format. From the significant impact of the COVID-19 pandemic, to the necessary nationwide dialogue on race, equity and inclusion in our society, this is a time of seismic change for the city of Boston, and the rest of our nation. During the event you will hear a discussion between Boston leaders on the challenges our city has faced over the past few months, and how the legal community can support and engage with the Greater Boston community during this unprecedented time.

TICKET AND SPONSORSHIPS

While attending the virtual law day is free for all, purchase of a Support Ticket or Advocate Sponsorship will go a long way in assisting the Boston Bar Association in its work providing innovative educational programming, supporting access to justice initiatives in the community, promoting diversity, equity and inclusion within profession, and supporting our City through crucial public service initiatives.
