Join Us

The Boston Bar Foundation serves as a beacon of the legal community's enduring commitment to enhancing the lives of the most underserved individuals in our community. Through a dynamic granting program, the BBF works to serve the needs of the most vulnerable and marginalized members of our community, including domestic violence survivors, immigrants, prisoners, workers, veterans, children and families.

As the charitable affiliate of the Boston Bar Association, the BBF supports projects and programs dedicated to advancing diversity, equity and inclusion in the legal profession, strengthening leadership development opportunities for young lawyers and engaging lawyers in serving our community.

The Adams Benefit is the signature fundraiser of the BBF, welcoming over 800 individuals annually for an extraordinary evening at the Museum of Fine Arts to raise critical funds for these causes.

Join us in our mission to promote justice, foster innovation, and help those in need. Together, we can continue to be a force for positive change in the lives of countless individuals.
